Playgrounds

Thanks to a program initiated by the Cobb County Board of Commissioners, we have replaced 26 old playgrounds over the past two years. The 14 that were replaced during 2004 are located in Fullers Park, Terrell Mill Park, Sewell Park, Noonday Creek Park, Lost Mountain Park, Big Shanty Park, Wild Horse Creek Park, Oregon Park, Powder Springs Park, Hurt Road Park, Fair Oaks Park, Larry Bell Complex, Perry Parham Park and Rhyne Park. The 12 that were replaced in 2005 are located in Sweet Mountain Park, Shaw Park, Bells Ferry Park, Sandy Plains Park, Kennworth Park, Tramore Park, Lost Mountain Park, New Clarkdale Park, Rhyne Park, Nickajack Park, Wallace Park and Thompson Park. The program is funded through the placement of cellular towers in Cobb County's parks. Not only does this allow for better cellular reception for our residents, but it also provides funding for the replacement of our older playgrounds and the reconstruction of our tennis courts. This same funding source has provided the funds to reconstruct and/or resurface 90 of our tennis courts over the past seven years. Cobb County hopes that all of our residents enjoy the new playgrounds and renovated tennis courts located throughout the County.

This art camp is to be loosely based on the science fiction space story first idealized by George Lucas in the Star Wars saga. This preschool art camp (ages 4 - 9 years) is a multi-media experience of materials and techniques, your little alien will explore diverse styles of art and science centered around our universe. Art Aliens will be grouped in classes of 14 in the same age group. Each camp has a home-planet where they begin their morning, before rotating into different planets with different instructors, and subject matter. On Friday, our camper's space art odyssey will be ending a bit earlier, at approximately 10:50am, for a performance put on by the TAP Children's Theatre Project and the Upper Elementary-Artists from Mars-(7-9yrs), which family is invited to attend. Following is a gallery opening where you will get a chance to see all the art work completed by your campers during their Final Frontier Voyage. Considering to register for the school year program? Come try out the preview. New students are only accepted in the summer and fall sessions as the curriculum is sequential. This keyboard class allows for your child's natural joy of music making in their early childhood to continue right into keyboard instruction. The group setting allows for a playful atmosphere as we build musicality from within the child by strengthening their musical ear and body through singing, dancing, drumming, ensemble playing, and writing and reading music. No supply fee. Parents join us for the last 20 minutes of class.

Throughout the Camp Day, students will rotate to different classrooms, each with a new instructor and art project.
On Fridays at 10:50 am, all parents are invited to an Out-of -This-World performance put on by camp participants. This performance is created during the scheduled art camp. Following the show you are invited to attend an Art Gallery Opening in each student's home-room.† Inside the Homeroom transformed into Art Gallery will be all of the projects which have been completed throughout the camp. You are welcome to view all of the pieces and ask any questions of both the students and the instructors. The Art Camp will end following the gallery opening, at the normally scheduled time of 12:30 pm. Each week of the camp there will be different projects and campers may come as many weeks as they choose throughout the summer.

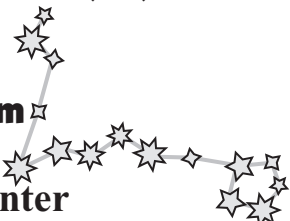

- * These Art Camps are for Rising 4K to 5th Grade

Descriptions

LEVEL 1:

This level reviews the basic strokes taught in Level 1 while also introducing some new skills. In addition to the instruction, students begin actual play to learn positioning, rules and scoring. Participants for this level should have completed Level 1 and/or have some playing experience. This level can be best described as "advanced beginner".

LEVEL 3 Competition:

Opportunities for beginner level competition includes league play (ALTA, USTA, & Cobb Singles League), Round Robin Socials, and N.T.R.P. tournaments.

WE NEED YOUR HELP!

As most of you know, our Special Olympics program is funded solely by contributions and fund raisers. There is no budget for our athletes' uniforms, equipment, meals while traveling or charter buses to go to all of the various competitions we attend every year. With this in mind, we are asking for your help in raising funds. Whether or not you or a neighbor or loved one participates in the program, please consider making a tax deductible contribution. Donations of any size would be greatly appreciated. All donations received go directly into Cobb's Special Olympics program. Perhaps your employer or civic organization would like to become a sponsor. There are many businesses and organizations that have money allotted for charitable contributions, but aren't aware of our need. Won't you help us spread the word? Also, donations of your time are just as important. We always have need of volunteers for Special Olympics as well as the Therapeutic Recreation Services program. If you or someone you know would like more information on our program, please call Ann Bonds at 770-819-3262 or Kim Battiste at 770-819-3261. Donation checks should be made payable to Special Olympics GA-Cobb and sent to:

Special Olympics Georgia-Cobb • 555 Nickajack Road • Mableton, GA 30126

You will receive a receipt for your tax deductible contribution.
Thank you for your time and consideration in this matter!

Therapeutic Recreation provides opportunities for persons age 16 and older with developmental disabilities. The program strives for each participant to function at his or her highest level of ability in a less restrictive environment. The goals of the program are to increase socialization skills, community awareness and emotional and physical well being and to teach new leisure skills through participation in structured recreation activities that are safe and fun.
